

International Week
November 14th-November 18th
Preparing the Quiz

The international week will take place as usual during the month of November.

Some of your teachers will speak in English during their classes, Semester 3 students will present Ted Talks everyday, in room 108 from 12.45 to 1.45 pm.

And of course, there will be an afternoon of games on Thursday, November 17th!

There will be Semester 1 and Semester 3 students, there will be some of your teachers and...prizes and cakes and drinks :)

In order to help me prepare this fun afternoon, I am asking you to prepare the first game, a quiz which will enable you to use your “asking grammatically correct questions” skills!

You are going to work on your own, or in small groups. You choose one (or several) theme(s) and you are going to ask at least five questions.

You will type your questions on a pdf document, that you will send to one member of your TP (the name of this person will be determined in class). This person will then collect all the questions on one document and will send them to me.

Thus, I will get 7 emails (one from each TP group) and will take my pick of your questions!

Here is how you should present :

Theme: (this is an example) Cinema

Q1: How many Oscars has Walt Disney received in his career?

- a) 15
- b) 19
- c) 23
- d) 26

The correct answer is : d) 26

Q2: Among the following actors, who has never played Batman on screen?

- a) Christian Bale
- b) Robert Pattinson
- c) Brad Pitt
- d) Val Kilmer

The correct answer is: c) Brad Pitt

You have to make sure you answers are correct (factual and not subjective questions will help), I need to be able to trust you with this part!

Here are some subjects you might want to choose:

- Cinema
- Music
- Video games
- Streamers/ Youtubers...
- Books/ Manga...
- History-Geography

- Flags
- Science
- Astronomy/ Planets
- Sports
- Olympic Games
- History of Computer Science
- Food
- Medecine
- Technology
- Inventions
- World records
- Languages
- Spelling

...

You are free to work on these subjects or on others, you can vary the themes of your questions or not...

But you need five grammatically correct questions per group!

Thanks for your help and don't forget to sign in for the games :D
